Surround yourself in the high speed battle

It is a period of technological advancement. BANDAI NAMCO Games has developed a revolutionary dome screen arcade unit, capable of thrusting players into the game they are playing.

The hardware offered new experiences players only dream of. As the team continued to refine and expand its capabilities, a prototype for a new project was secretly underway.

Today, they reveal that project, a Star Wars game that you don't just play, you EXPERIENCE....

STAR WARS™

BATTLE POD™

Experience Star Wars™ Universe

Star Wars® Battle Pod features a dome screen that transports players into the Star Wars™ universe. Players will be able to take control of some of the most iconic characters in the Star Wars™ universe and experience the thrill of battle.

Cinematic Dome Screen

An innovative dome-shaped screen delivers a 180° horizontal field-of-view that creates uncanny realism, giving Star Wars™ fans a visual experience they will never forget.

Inside Battle Pod

Strategies

Victory is achieved through quick and masterful control of the Star Wars Battle Pod flight stick controls and throttle.

Destroy enemy fighters, gain control, using dome's multiple viewing angles to quickly calculate to earn combo bonuses. Players' scores and performance are summarized after each stage.
